

Parish

Welcoming Committee

This new parish initiative seeks to ensure that everyone - parishioners, visitors, and their extended families and friends - feels welcome in our parish. Arising from our first meeting held in March 2013, a new "Parish Welcoming Committee" is now working through welcoming ideas and initiatives suggested by members of the parish:

We aim to welcome one another in some of the following ways:

- ❖ Extending our popular "Cuppa & Chat" service to additional Mass times
- ❖ Visiting new parishioners
- ❖ Weekday "Friendly" group supported by a volunteer transport service
- ❖ giving encouragement & support to parish activities
- ❖ Craft for a cause

We encourage all parishioners to join us in making our parish community even more welcoming. If you'd like to join our group to help plan or organise social events, please register your interest with the Parish Office on 3398 2977.
